Bikeway Multi-Use Trails Advisory Committee

The Brantford Multi-use Trail / Bikeway Advisory Committee was created in 2000 in response to the 1999 Multi-use Trail/Bikeway Design and Implementation Plan.

Committee is composed of (10 members) of the public, one member of Council and one Council appointed representative of the County. There are also various liaisons with city departments and agencies. Liaison members include representatives of the Parks Recreation and Waterfront Advisory Committee, Brant County Health Unit, Brant Waterways Foundation and Engineering Department.

This Committee provides advice to City Council and staff on the design, development and delivery of policies, programs and facilities related to recreational trails and on road bike routes.
