755 Mount Pleasant Rd

What to bring?

Shovel

Gloves

**Closed toed
footwear**

Rainwear

DROP-IN
No registration
required

brant.ca/BrantPlants

Tree planting benefits wildlife by creating habitats for birds and animals and helps clean the air. As well, the area is in a Source Water Protection Zone and tree planting helps keep the land healthy.

Special thanks to the **Mount Pleasant Optimist Club**, the **Grand River Conservation Authority** and **Brant Tree Coalition** for their time and efforts!
